- I, James D. Grant, PLS certify:
- That the survey consists of a subdivision of land within the limits of a county or municipality that has an ordinance that regulates surveys of land.
  - That the survey is located in such a manner as to comply with the provisions of the ordinance that regulates surveys of land.
  - That the survey is of one of the following:
    - That the survey is of an existing parcel or parcels of land and does not create a new parcel or parcels of land.
    - That the survey is of an existing building or other structure, or building foundation, and is a minor addition or alteration.
    - That the survey is a center line.
  - That the survey is of another category, such as the subdivision of existing parcels, a court ordered survey, or other situation to the definition of subdivision.
  - That the information available to the surveyor is such that the surveyor is unable to make a determination as to the validity of the surveyor's ability to do the provisions in (a) through (c) above.

I, James D. Grant, certify that this plan has been under my supervision from the date of survey until the date of recording. I have determined that the information shown hereon is true and correct. I have determined that the information shown hereon is true and correct. I have determined that the information shown hereon is true and correct.
